The musical score consists of two rows of staves. The top row has six sets of vertical stems on three-line staves. The bottom row has one staff with four horizontal lines. The notes are labeled with letters: 'a' (top line), 'r' (middle line), and 'd' (bottom line). The sequence of notes is: a, r, a, r, d, a, g, d, r, a, r, d, r, e, e, d, b, e, d, e, d, b, d.

This page contains handwriting practice for the letter 'g'. It features a grid of 10 boxes for uppercase 'G's and 10 boxes for lowercase 'g's. Each box includes a vertical red line for the stem and a horizontal blue line for the loop. The first row shows examples of 'G' and 'g' with arrows indicating stroke direction: a vertical downstroke followed by a circular counter-clockwise loop.
